1 March 1974

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Weekly Report

25X1A 1. [REDACTED] Local political disturbances currently
25X1A in progress have not affected communications [REDACTED]
25X1A [REDACTED]

25X1A 2. [REDACTED] The [REDACTED] leased circuit
25X1C was out from 20-24 February due to a cable break. [REDACTED] HF
25X1C alt-route [REDACTED] prevented cable delays.
25X1A

25X1A 3. [REDACTED] ComCenter operating hours have been adjusted
25X1A to accommodate the [REDACTED] which resumed on 23 February 1974.
25X1A

25X1A 4. [REDACTED] A second operator has been assigned from the
25X1A OSG pool to assist the [REDACTED] communicator until a PCS position
is established.

25X1C 5. SKYLINK: We have been notified informally [REDACTED]
25X1C that the [REDACTED] Satellite operational activation has
been delayed two weeks to 18 March for additional testing.
The lateness and informality of the notification has caused
annoying but manageable technician scheduling problems for OC.

25X1C [REDACTED]

7. DATEX: The move of the Project Terminal Facility
from the sixth floor to the Signal Center is nearly completed.
The vacated space is slated for the DATEX switch which is
scheduled for delivery in June of this year.

8. NSA Briefing on Soviet Exploitation of U.S. Communications: The briefing was given in the auditorium on 28 February to approximately 500 Agency personnel.

9. ADP Resource Allocations: As of 31 December 1973, OC had used only 26.6% of the year's allocation. The recently established plan for MAP projects will further reduce the OC requirement for ADP resources. Approximately 25% of the manpower, batch processing and time sharing resources allocated to OC for FY-1974 can be released if necessary.

Planned Activities

1. Imminent Action Notification: A memorandum has been sent to the Secretary of the CIA Management Committee advising of the imminent signing of the CDS contract.

2. [REDACTED] OC has been alerted to a possible requirement to install and support a non-Commo manned station in [REDACTED]

3. Computer Assisted Field Terminal (CAFT): The CAFT RFP will be released for bids on 8 March. There are about ten bidders on the RFP list. Respondents will be given a demonstration of the experimental terminal [REDACTED]

4. Training: The following training courses and seminars are scheduled to be conducted [REDACTED] during the week of 4-8 March:

Date	Course	Attending
4-5 March	ORD Staff Conference	18
5-8 March	OC Practical Supervision Course	15
6-8 March	OC-E Conference	6
6-8 March	ORD Conference	8
